

Use the attached forms to unite your online or automated contribution with the Offertory during Mass by dropping one in the collection basket each Sunday.

Bank Drafts

Automated bank drafts save processing time for accounting. You may authorize accounting to make automated bank drafts using the online authorization available at www.smac.edu/ACH. Blank authorization forms are available online, by email or at the Immaculata Parish Offices. No fees are incurred on automated bank drafts.

Online Bill Pay

You may also set up regular payments through your own bank using your bank's free online bill payment service.
