## What is “Christ the King”?

On this day we celebrate the **Feast of Christ the King, King of All Nations**, and there is no better time to celebrate and honor our King than during this upset craze of the modern world. Annually this parish reveres the Feast of Christ the King with a glorious **Solemn High Mass** and **Procession** through St. Marys, and celebrates with a lively afternoon **Festival**.

## What is the **Festival**?

This Festival is a time to honor Christ as the King of all Nations. There are **booths** lining the SMAC campus quadrangle, **musical entertainment**, and **games** for all ages. This Festival is simply to celebrate and not advertise any businesses, or sell any products. Each booth **represents a nation** or a country around the world to showcase cultures and proclaim the Kingship of Christ in all Nations.

## Is there an **Admission Fee** for the Festival?

There is a suggested **donation** of \$20 per family. This money covers the reimbursement of booth expenses.

## Will there be **food**?

Yes, most booths will offer the opportunity to savor **sample portions** of food and drink specific to each culture.

## How can I **help**?

Parishioners can participate by volunteering to **manage or assist booths**, **donating** to the Festival, helping with the **games** throughout the Festival, volunteering for **preparation and clean-up**, and much more. This is a family friendly event and all help, especially from young adults, is welcome.
